2. This Municipality was started in accordance with the Chief Commrs order No 2681 of 15th June 76, and the operations thereof Commenced from the 1st July 76. the amounts entered in the Budget represent therefore 3/4 of what they would have been for the whole year if the Municipality had been established from the Commencement of the year.

3. The subjoined table shews at a glance the Estimated receipts and Expenditure of the Municipality for 9 months of the current year viz -

from July 1st 1876 to March/77.

TOG

Remarks by the Ch: Comr.

1. Chickamagalur Town.

I. Under the head of "Pounds" the Rent Estimates the income at Rs 600/, while the actual collections of 1874.75 and of the first 6 months of 1875.76 amounted only to Rs 402-4-0. and Rs 195 respectively. The last year's Estimate was Rs 500/. which may be adhered to.

Deputy Commr's Explanation.

In accordance with the proceedings of the Rural Board dated 19th October /75, the practice of crediting to the funds the income of the Cattle pound minus the salary of the pound Establishment (a Mutsuddy and 2 peons) has been discontinued from the 1st April /76. The cost of this Establishment viz Rs 204 was deducted from the realizations amounting to Rs 600/ and the pound collection up to 1875.76 was shewn as being only Rs 402-4-7, while in the present Budget, the

whole income of the pound for the year 1876 77 has been shewn. Hence the difference. There is no doubt that the sum put down in the Budget viz Rs 600/ will be realized during the year and in support of this statement it may be stated that the receipts of the pound in question in the 3 months from April & June /76, amounted to Rs 153-4-"

2. The sum of Rs 144 and not 132, under the item "Head office" has been struck out and transferred to "this" under the head of "Cattle pound charges" as directed. Rs 48 being the salary of the Munl clerk in the Duftri dept^t, has been exhibited under the head "Head office", and the same course will be followed in future.

3. The recent addition has been sanctioned by the D^r of P. I. and the additional cost has been paid from Sep^r /75.

4. The cost of Lamp posts has been included under "Lighting" as directed. The value however cannot be reduced, as it is the same as that paid elsewhere. The sum of Rs 60/ includes the cost

The Deputy Commissioner's proposals must therefore be adopted

II. An increase of Rs 132 is provided for under the head of "Head office" on account of the entertainment of a cattle pound muntsadar and a peon. The cost of this establishment should have been included under "misc." instead of under "Head office". A sum of Rs 48 on account of the salary of the Muni clerk entertained in the Duftri dept^t should be added to the present charge

III. The recent addition made under the sanction of the Director of public Instruction to the School establishment, appears to have raised the charges under Education from Rs 2076, to 2676.

IV. The sum of Rs 780 put down under the head of "Misc" includes the cost of Rs 600 for the purchase of 10 lamp posts. This ought to appear under "Lighting

The cost estimated for Lamp posts seems excessive, and may be reduced from Rs 60 & 30.

Remarks on Berom.

a. The Estimate of Rs 300 under the head of "Inco:" is not warranted by the actuals of 1874.75 and first 6 months of 1875 76 which were only Rs 3 " 13 " 2 and 2 8-0 respectively.

16). No sanction appears to have been obtained for the sum of Rs 54 included under "Head Office" on account of the pay of the Instr. Clerk employed in the Distt Office.

5. The sum of Rs 300/- put down under "Inco" as the sale of manure in the Town of Berom will doubtless be derived from that source as the same amt was realized in the 2nd half of the year 75/76 and this item has since been given out on contract in the months of March /76 for Rs 500/ which exceeds the Budget Estimate by Rs 200/-

6. The salary of the Instr. Clerk Rs 33 (including Contingencies) had been up to the year 1873.74 charged proportionately to 5 Towns. But for want of funds in the Towns of Kadur and Berom in the years 1874.75 and 1875.76 the cost had to be borne by only the 3 Towns. Funds being now found available in all the 5 Towns this charge has been again apportioned among them

Remarks on Tarikere.

A. The enhanced provision under the head "Head office" was made

7. The Explanation afforded in the first

para above holds good for this Town also.

8. The extra charge was incurred under the following circumstances.

(1) A single cart was reported by the Civil Surgeon and the Hospital Assistant, who visited the Town last year to be quite inadequate to remove all the refuse things which had in consequence accumulated to such an extent as to necessitate its immediate removal to check the outbreak of Cholera, the presence whereof, the Medical officer in a great measure attributed to this cause; hence the necessity for employing a 2nd cart.

(2) An additional peon was employed on Rs 4 per mensem to watch the village tank on which the whole Town depends for drinking water, and to prevent people from washing their cloths and fouling the water especially at a time when so dire a scourge as Cholera

on account of the entertainment of a Cattle Mutsuddy. The cost of pound Establishment should be included under "Pounds"

B. The extra Charge of Rs 24 8 shown under "Conservancy" is on account of the employment of an Addl. Cart and a peon for the Conservancy of the village Cuska Tank The Deputy Comr should explain his reasons for the need of a Cart.

Explanation regd. & appended

was prevalent.

3. A provision of Rs 20/- was made for killing venomous snakes &c

Remarks on Kadur.

The increase of Rs 26/- comprises the pay of cattle pound keeper and a portion of the salary of the clerk employed in the State office. The latter is a new charge and the necessity for it has not been explained.

9. Vide explanation afforded in paras 1 and 6 above, for the employment of a cattle pound keeper and the new charge for a clerk respectively.

Drafter Note.

10 The Budget of the Banavar Municipality was passed in the Chief Commrs proceedings of 19th June quoted in the 1st para of this memo.

11. On the explanation now tendered, the revised Budgets of the other Municipalities, may be sanctioned.

Memo.

Letter No 166 of the 11th April 1876 from the Deputy Accte General of Mysore

The Deputy Accountant General submits the Budget estimates of the Kadur District Municipalities for the year 1876/77.

2 There are 5 Municipalities in this Dustrict, of which Chickamungalur is the Head Quarter town.

(1) Chickamungalur Town.

3. From the abstract statement herewith submitted, it will be seen that the estimated income, including the previous year's cash balance, is Rs 21,418 against Rs 12,857-. The increase is due partly to a large sum being left unexpended at the close of the year 1875/76, and partly to the entry of the following items which have been, for the first time, shewn in the Budget

Tax on cloth Rs 2500

Collection

8

Collection of School fees – Rs 500

4. The imposition of a tax on Piece goods by the Chicka=mugalur Municipality at 5 per cent advaloreum was sanctioned by the Chief Commissioner in his Proceedings No 3288/15 of the 19th July 1875.

5. The increase under the heads of "Tax on Professions" "Fines" & "Miscellaneous" is trifling, and calls for no remark.

6. Under the head of "Pounds" the President estimates the income at Rs 600, while the actual collections of 1874/75 and of the first six months of 1875/76 amounted only to Rs 402-4-0 & 195-0-0 respectively. The last year's estimate was Rs 500, which may | Yes. lee adhered to.

7. The estimated expendi=ture exceeds the income by Rs 1,550-0-0

The Expenditure is kept beyond the income by two years past balances

8. Rs 5046 have been allotted for

for Public works, the most important of which are ×specified ~~indicated~~ in the margin

× 1. Constructing Latrines.
2 — Do — Bandystands.
3 — Do — V drains.

9. The charge under the head of "Head Office" are estimated at Rs 426, or Rs 132 more than that of the last year. The excess is stated to be required for the employment of a cattle pound Mutsheddy & a peon. The cost of this establishment should have been included under "Miscellaneous" instead of under "Head office". A sum of Rs 48 on account of the salary of the Municipal Clerk entertained in the Drafter Department will have to be added to the present charge.

10. The recent addition made, under the sanction of the Director of Public Instruction, to the School establishment, has raised the charges under "Educa from Rs 2,076 to 2,676

The

The Conservancy establishment is proposed to be strengthened at an additional cost of Rs. 179. The President has authorized the employment of a cooly on Rs. 4 per mensem to look after a well near the Fort without, apparently, obtaining the sanction either of the Commissioner or of the Chief Commissioner. The Commissioners of Divisions may be instructed to submit, beforehand, any proposals for increase of Establishments, stating fully the grounds in support of the recommendations made in each case.

If the details of the purpose to which the Govt. Sanction cannot be accorded until this has been done by [illegible] B.H.

12. The provision made under the head "Lighting" is Rs. 320, or Rs. 260 in excess of the last year's estimate. The additional amount is stated to be required to cover the cost of oil & other sundry charges.

13. The sum of Rs. 780 put down

down under the head "Mis-
=cellaneous" includes the cost
of the purchase of 10 lamp
posts at 60 Rs each. This
ought to appear under "Lighting"
and the rate for the lamp
seems very high. I append
in the margin the rates
at which lamps have
been purchased by the
Bangalore Municipality

14. The estimated receipts
of this Municipality are
put down at Rs 1,461 against
Rs 1,218. The increase is
chiefly under the head
"Miscallaneous". The provision
of Rs 300 is not warranted
by the actuals of the
year 1874-75 & first 6 months
of 1875-76, which were only
Rs 3-13-2 & 2-8-0 respectively.

15. No sanction appears
to have been obtained
for the sum of Rs 54 included
under "Head Office on
account of the pay of the
Municipal Clerk employed
in the District Office.

16. The increase of Rs 700 shewn under "Octroi" is expected to be derived from tax on piece goods. The Chief Commissioner's special sanction for the imposition of the duty does not appear to have been obtained, & the Commissioner has called upon the Dy Commr for an explanation.

Balance — 10015. — —

2 It will be observed that the increased income of Rupees 1772 and odd in the Year 1876-77, over that of the previous year is anticipated only in 4 Towns by the levy of tax on piece goods authorized in the Chief Commr's Proceedings and Order No. 3288/15 dated 19th July 1875.

3. The increase of expenditure shown can be traced to the following items.

(1) The trifling increase of salary granted to the Scavengers in Kadur and Banavara Towns as proposed by the Presidents.

(2) The erection of Candy Stands in the Towns of Chikmagalur, Terekere and Beeroor.

(3) The cost of lighting in the Chikmagalur Town.

(4) The extension of the V drains up to the end of Basavanhully in the Town of Chikmagalur.

(5) The Crediting in a Lump Sum the whole of the realizations from the cattle pound to the Municipal Fund and debiting the Establishment Charges pertaining thereto.

(6) The increase to the educational Staff in the District School Chikmagalur; And lastly to the employment of an additional Candy for the Terekere Town as proposed by the President for removing Sweepings, the one now employed being insufficient.

4. It is proposed that the total Amount Rs.

I Collection 5. The establishment for this purpose which is the same as was maintained last year, attends to the collection of house tax, Supervises Public Works in each Town, and Keeps the accounts connected therewith. The reason for the difference of Rupees 30 over that of the previous year is, owing to the increase of the Annual Contingent grant of the 5 Towns by 8 Annas per mensem for each of the Towns. The former allotment being found inadequate.—

II. Head Office Charges. 6 The Amount shown under this head is for meeting the proportional Charges of the 3 Clerks employed in the following Offices Viz. Deputy Accountant General's, Taxation Division Commissioner's and Postmaster Genl

Quarter Office Expenditure by. The Establishment in Wages & Offices is maintained wholly from the Chikanguler Municipal Funds as was the case last year; and that in the last is charged as usual proportionately to the 5 Towns.—

The increase this year is attributable to the entertainment of a new Cattle pound Establishment.—

III — Original Works.— 7 The sum entered under this item the details of which are given in the accompanying Budget Statement is for the construction of Candy stands; Latrines; Drains in Chikanguler and lighting &c. sanctioned by the Commissioner (vide Approval recorded in Proceedings dated 19th October 1875.

IV — Repairs.— 8 The amount placed under this head after deducting the Establishment Charges, Original Works, &c.; is provided for repairing roads in the Municipalities & improving the Channel supplying water to Chikanguler and for the Reservoir in the Terekere town.

V — Police Establishment.— 9 The full complement of the Town Police Force, sanctioned by the Chief Commissioner has been entertained by the Municipality.

VI — Education — 10 The staff in the District School has been increased by the entertainment

of

of 2 additional hands on Rupees 20 and the other on Rs 5. The pay of the 2nd Master under instruction shows the Director of Public Instruction has also been raised. —

VII — Conservancy. — 11 The amount assigned for this purposes is required to defray the expenses of the Sweeping Establishment & with the Municipalities Last year the educational and Police Establishment Charges were exhibited under this head but they have been shown under their respective heads in the present Budget. Hence the falling off is only apparent but not really owing to any decrease of the Conservancy Establishment &c.

VIII. — Lighting. — 12. The Amount entered under this heads is for lighting 10 Lamps in the Town of Chikmaglur as proposed by the President and Sanctioned by the Commissioner (Vide approval recorded in Proceedings of 19th October 1875.)

X Extraordinary. 13. The only Charge under this head is that incurred for tending the young plants put down in the Bell raised to protect the Town of Chikmaglur from the violence of the N. E. and S. W. gales to which it is exposed and for which a 1/3 of the Amount Sanctioned has been provided in the Budget (Vide

Chief Commissioner's Proceedings No. 4577/58 dated 23rd September 1874).

X. Miscellaneous s.4. The Amount entered under this head is for meeting Cattle pound Charges, and refunding Sale proceeds of Stray Cattle on adducing proofs of owner ship.—

Memorandum for

No. 311/39

Kadur District
Deputy Commr's office
Chikmagalur, 11th August 1876

To
The Commissioner
Nagardenision

Sir,

As requested in the Proceedings of the Chief Commr No. 2712 Financial 57, dated Bangalore 19th June 1876 received with your docket No. 271 dated 22d July 1876, I have the honor to submit ~~herewith~~ the following explanation on the several points adverted to therein.

Chief Comrs remarks on I. Chikmagalur. 1. In accordance with the Proceedings of the Chikmagalur Municipal Board, dated 19th October 1875, approved of by the Commissioner, the practice of crediting to the funds the income of the Cattle Pound at Chikmagalur, minus the salary of the Pound Establishment (a Mootuddy and 2 peons) has been discontinued from the 1st April 1876. The cost of this Establishment viz Rs. 204

was deducted from the realizations amounting to Rupees 600. and the pound collection upto 1875-76 was shewn as being only Rupees 402-4-7; while in the present Budget the whole income of the pound for the year 1876-77 has been shewn hence the difference. There is no doubt that the sum put down in the Budget, viz. Rupees 600, will be realized during the year and in support of this statement it may be stated that the Receipts of the Pound in question in the 3 months from April to June 1876 amounted to Rupees 153-4-a.

2. The sum of Rupees 144 (put down in the Chief Comm's Proceedings as Rupees 132) under the item "Head office" has been struck out and transferred to "Miscellaneous" under the head of "Cattle-pound charges" as directed. Rupees 48 being the salary of the Municipal Clerk in the Office Department has been excluded under the head "Head office"

and

No. 1495 dated 9th August 1875
" 1669 dated 26th ditto.
" 1879 dated 18th September 1875.

and the same course will be followed in future.

3. The recent addition to the school establishment has been sanctioned by the Dt. of P.D. in his dockets noted in the margin and the additional cost has been paid from September 1875.

4. The cost of Camp posts has been included under "Lighting" as directed. The value, however, cannot be reduced from Rupees 60 to 30 as suggested in the Proceedings under reference as it is the same as that paid elsewhere (vide dockets received from the Presidents of the Municipalities at Bangalore and Mysore quoted in para 4th of the Proceedings dated 19th October 1875) and approved of by the Comr. It may be observed however that the sum of Rupees 60 includes the cost of carriage as well.

(Exception to para relations)

2. " " " "

5. The sum of Rs 300 put down in the Budget under "Miscellaneous" as the sale of manure in the Town of Beerur will doubtless be deemed proper

that source as the same amount was realized in the second half of the year 1875-76, and this item has since been given out on contract in the month of March 1876 for Rupees 500, which exceeds the Budget estimate by 200 Rupees.

6. The salary of the Municipal Clerk Rupees 33 (including contingencies) employed in the District Office had been up to the year 1873-74 charged proportionally to 5 Towns. But for want of funds in the Towns of Kadur and Beeroor in the year 1874-75 and 1875-76 the cost had to be borne by only the 3 Towns. Funds being now found available in all the 5 Towns this charge has been again apportioned among them as follows.

Chief Commissioner's Remarks

3. Tarikere

7. The explanation afforded in the 1st para of this letter holds good

good for this town also. The cost of the pound establishment has been struck out from the item "Head office" and included in miscellaneous under "Cattle pound charges" as directed.

8. The extra charge Rupees 248 shown under "Conservancy" in the Town of Tarikere was incurred under the following circumstances.

(1) A single cart was reported by the Civil and the Hospital Assistt, who visited the Town last year to be quite inadequate to remove all the sweepings of the Town of Tarikere which had in consequence accumulated to such an extent as to necessitate the immediate removal to check the outbreak of cholera the presence whereof the medical officer in a great measure attributed to the cause; hence the necessity for employing a 2nd cart.

(2.) An additional peon was employed on 5 Rupees 4 per mensem to watch the Village Tumba Tank on which the whole Town depends for drinking water and prevent people from washing their cloths and fouling the water especially at a time when cholera

as cholera was prevalent - this is the reason for entertainning a Reserve for this purpose -

(3) A provision of Rupees 20 was made for killing venomous snakes vide -

4. [illegible] vide explanation afforded in paras 1 and 6 of this letter for the employment of a Cattle Pound Keeper, and the new charge in the Town of Kaduna for a clerk respectively.
